WHAT STUDENTS ARE SAYING:

"I am from Hyderabad, India. I have been in ministry for the past 10 years. I minister among young people and especially Muslims. By the motivation of the Spirit, I pursued my MA in theology and apologetics from a Bible College here in Hyderabad (HITHA) and that's how I learned about i2 Ministries. I attended a conference organized by i2 Ministries in India in 2015. God moved so powerfully during that time that I dedicated my life to winning lost souls among Muslims. Ever since then I wanted to get into a formal education in Christian apologetics to Islam to present the gospel more effectively with Muslims but I never have been able to due to financial constraints. I have been praying for God to open up a way for me. Now, after 4 years of waiting, I am actually pursuing the degree I feel called to get and it was all possible by the scholarship MMWU awarded to me. I am loving my studentship at MMWU and enjoying every bit of it. It is one of the best curriculums with a ton of resources, a wealth of information, and above all, world class standards. Thank you i2 Ministries and sponsors. I am forever grateful." -
Vijay (India)

I'm a Brazilian worker who lives in Indonesia. It has been a great honor and blessing to receive this scholarship from MWWU. My first training with i2 Ministries was in 2005-2006 when Joshua Lingel and various professors came to Brazil. Now, being in Indonesia for 7 years and going deeper through these courses I have a new perspective of how to reach Muslims for His glory. In the first course, I became a certified trainer and have been training other Latinos in Indonesia, China, Austria, and Brazil. Besides that, I have been having weekly meetings with an Iranian friend of mine who works among refugees. I am so thankful to everyone who has made this possible for me and our ministry as well to SO MANY OTHERS. God Bless you all.

- Andrew Cross (Indonesia)

I am so grateful for MMWU and for the scholarship that enabled me to take these courses. I live in an area in an undisclosed location in South Asia that has unreached Muslims and is almost completely unengaged by Christian workers. These courses will not only enable me to effectively reach Muslims, but will enable my entire network to mobilize into the north of this country to train and equip many indigenous pastors and leaders. Thank you for your partnership in fulfilling the great commission.

- Jeremy (Missionary in S. Asia)

*I am a Nigerian, serving as a missionary among the Fulani tribe in Nigeria. For the past ten years I have been focused on reaching the unreached in this tribe who are almost all Muslims. The MMWU scholarship has helped me by adding valuable knowledge to my life. My work among the Fulani has improved tremendously both spiritually and intellectually. Being part of MMWU program is actually divine help sent to me at a time like this. I learn new things through every lesson. I am so excited to be part of this training. Thanks MMWU for the scholarship. – **Ojo Adejumo***

*This is excellent, Biblically faithful, theologically acute, spiritually motivating, practical, and academically robust. I am recommending it to all missionaries. – **Caleb (Missionary in MENA)***

*As a former Muslim from Egypt I can testify that this is an amazing intensive course to give people all the tools needed to be ready and trained to confront the Islamic movement and win souls for Jesus Christ! – **Tomas***
